SCHEDULE YOUR ON-SITE CLINIC TODAY!

VNA Community Services is prebooking on-site immunization clinics for the 2021-2022 season. Flu Clinics will be scheduled for the last week of September through December contingent on vaccine availability on a first come, first serve basis.

The decision to immunize helps to protect our community from the serious effects of influenza. Studies show flu vaccination results in decreased work absenteeism and increased productivity. When you choose VNA's professional, experienced nurses, you support a local, non-profit healthcare organization.

How To Register

To register your organization, visit www.ccvna.com online or complete the attached Flu Clinic Agreement and return by fax or email:

EMAIL: VNAflu@ccvna.com or

FAX: 831-648-7726

Attn: Flu Coordinator

Questions? Call 831-648-3703

We will contact you within 4 working days to confirm your clinic registration. Every effort is made to schedule your preferred date and time, but please provide an alternate date and time. All clinic scheduling is contingent upon vaccine availability.

VNA is Paperless

Consent forms and payment options are in an electronic format and completed at the time of the encounter. Proof of immunization will be provided at the time of service upon request.
